Greetings fellow cyclists! I hope you were able to get out and enjoy some nice rides in the summer weather that came at last. Meanwhile, Havering Cyclists have been busy campaigning and raising local cycling issues with Havering Council. Please see below for details.

Don't forget that we meet on the 2<sup>nd</sup> Monday of every month at 8pm to discuss local cycling news, activities, as well as to have a social chat! We'd love to see some new faces so why not come and say hello?

### **INGREBOURNE VALLEY WAY**

The drainage channels dug at the time of the repairs to the pathway in Pages Wood have proved their worth. The very heavy rain that we had this summer caused no further damage to the paths.

### **RIDE LONDON**

With help from LCC head office, we supported the Ride London event on the 29th July with a feeder ride as usual from Gidea Park up to Central London. We had 15 riders start from Havering with a further 25 or so joining at Barking.

A great day out!

## LONDON ROAD IMPROVEMENTS

We have been providing feedback on the council's plan to improve safety on London Road, Romford and are questioning the need for a mini-roundabout at Jutsums Lane.

## CYCLE HUBS

We welcomed the council's plan to raise the profile of cycling in the borough during the summer with the setting up of four "Cycle Hubs" which have run a series of events through the summer including cycle training, led rides, cycle maintenance courses and Doctor Bike events. The four hubs were at Thames Chase (Broadfield Farm), Hornchurch Sports Centre, Rainham Village School and MyPlace in Harold Hill.

## HAVERING TOWN SHOW

We ran an information stand on both days at the Havering Town Show. The cargo bike always turns a few heads and we were pleased to have given out many of the new maps and leaflets to would-be cyclists.

The gorgeous weather helped!

## CAMPAIGN MEETINGS

We meet on the 2nd Monday of each month, 8pm at JJ Moons pub, in the High Street in Hornchurch. Everyone is welcome, and we'd love to meet other LCC members and local cyclists in the area. Tea, coffee and soft drinks are available as well as the normal pub fare. Do come and say hello!  
(Look out for the table where the people are wearing red LCC tee shirts).

As always, see our web site at [www.haveringcyclists.org](http://www.haveringcyclists.org) for the latest news.
